HOW DO WE MEASURE UP?

An exquisite finish for your home is best achieved by reducing the number of siding overlaps on the exterior. Compare Sovereign Select Extended Length’s extra-long panel with standard 12’ siding and you’ll see a measurable improvement.

COLOR MATCHING MADE SIMPLE

No need to settle for siding and trim that “almost match.” Our Color Clear Through® collection of customer-preferred colors ensures that all Revere products – siding, soffit, fascia, trim and rainware – will beautifully match throughout our vinyl, aluminum and steel product lines.
PUT YOUR HOME IN OUR TRUSTED HANDS

Revere delivers the confidence and value only a true leader can provide. We proudly stand behind our products with the full faith of our more than 50 years of manufacturing expertise and some of the strongest warranties in the industry. Our voluntary participation in rigorous quality certifications and independent testing is further assurance you have made an excellent selection for your home.

ENVIRONMENTALLY FRIENDLY

Eco-friendly and sustainable, Revere vinyl siding helps conserve natural resources often used for home construction, such as cedar and other wood. And because vinyl never needs to be painted, it eliminates the use of paint, stain and other maintenance-related products that can harm the earth.

A LIFETIME OF PROTECTION

Sovereign Select Extended Length ultra-premium vinyl siding is backed by a lifetime limited, non-prorated, transferable warranty with hail protection and lifetime fade coverage. For complete warranty information, including limitations, ask your dealer for a copy of the Sovereign Select vinyl siding warranty.

INDEPENDENTLY TESTED AND CERTIFIED

As tested in an independent program sponsored by the Vinyl Siding Institute, Sovereign Select has earned ASTM D3679 certification, the industry’s highest standard for quality.
